

Alt Outdoors Ltd – General Risk Assessment

Provider: Alt Outdoors Ltd

Director: Wilfy Gladwin-Nelson

Assessment Date: January 2026

Review Date: January 2027 (or sooner if activities or guidance change)

Activity Scope: Outdoor, practical, educational and community-based activities

Locations: Public land and privately used land with landowner permission

Age Range: 11–18

Staffing Ratios: Flexible, typically 1:1 to 1:8 depending on activity, needs, and risk assessment

Risk Assessment Overview

This general risk assessment identifies common and foreseeable risks associated with Alt Outdoors Ltd activities. It provides a framework for managing health, safety, safeguarding, travel, and environmental risks. Activity-specific risk assessments must be read alongside this document.

| Hazard Category | Summary of Key Risks & Controls |
|------------------|--|
| Safeguarding | Enhanced DBS checks, safeguarding training, clear reporting procedures, supervision ratios |
| Health & Medical | Medical information collected, first aid trained staff, medication protocols |
| Environmental | Dynamic risk assessments, weather monitoring, appropriate clothing guidance |
| Behavioural | Clear expectations, de-escalation strategies, session structure |
| Travel | Business insurance, vehicle checks, transport supervision |
